

## **My Favourite Place by Bike:**

Gladhouse reservoir, Midlothian (5 miles south of Penicuik, Grid ref NT297534)

## **Why it's my favourite place by bike...**

Few places in the Lothians offer as good a combination of great views and the peace and quiet to enjoy them. Gladhouse Reservoir is a destination for all seasons; set in the hills and surrounded by areas of woodland, there's always something different to see.
