Dear Councillor Hinds

HAYMARKET SPOKES PROPOSAL

Thank you for your e-mail dated 4 April 2014 regarding the above proposal sent to you by Dave du Feu.

The Council is currently in the process of commissioning work to investigate the feasibility of creating a high quality cycle route between Roseburn and Leith Walk via George Street. This will include public consultation and engagement with stakeholders on the initial proposals.

We will consider Spokes' proposal to create a link to Morrison Street as part of this work and there will be opportunities for them to feed in to the project as a stakeholder later this year. We will also keep Spokes informed of developments on this project.

I hope you find this response helpful. Should you require any further information, please contact me on the details provided.

Yours sincerely
