Importance: High

Dear Ronnie,

Thank you very much for your applications to the Community Links Programme (2014/15 and 2015/16). We have been overwhelmed by the high standards of applications from all partners. This has made for some difficult decisions as we were oversubscribed with £35.6m worth of applications with £24m worth of available funding (£14m in 2014/15 and £10M in 2015/16).

A full list of the projects we'd like to offer funding for can be found below:-

The Memorandum of Understanding (MoU) will be sent out shortly using the same Sustrans online partner portal that was used for the project applications.

I look forward to working with you on these projects and will be in touch soon to organise a meeting.

Best regards,

Paul
