My Cycling Solution

SPOKES SUMMER 2011 COMPETITION – OPEN TO ALL

Cycling is often the answer, but it can also bring challenges! Tell us about a cycling problem you have encountered, and how you went about solving it.

Chances are that other people experience similar problems to you, whether they are experienced cyclists or beginners. SPOKES hopes to identify both common and unusual cycling challenges and difficulties - and suggested solutions.

Closing date: 24 September.

EXAMPLE PROBLEMS...

Parking or storing your bike; persuading friends to join you; fear of road danger; what to take on a day out; getting your bike north for a weekend; staying dry cycling to work; moving luggage or kids ... or more personal or philosophical matters like *“Will it help me find a boyfriend/girlfriend?”* or just plain *“Why on earth am I doing this?”*

HOW ENTRIES WILL BE USED...

Spokes may put some or all entries on our website, in our Bulletin, possibly in a special publication, or use them in other ways. We would of course normally credit your name, unless you ask us not to.
