

This is a circular to Spokes members in Leith area

1. Edinburgh City Council is consulting on a Leith Town Centre draft plan - closing date Feb 16th.

If you've not yet looked at it, the document is definitely worth a look, as it contains material on cyclerroutes as well as other aspects of interest such as what type of local shops should be encouraged where, and some interesting maps summarising the proposals.

The Council consultation page is [here](#) and for a direct link to the draft plan pdf click [here](#).

There are also drop in sessions this Tuesday and Saturday at MacDonald Rd library

- Tue 26 Jan [Public consultation event - 14:00-17:00](#)
- Sat 30 Jan [Public consultation event - 11:00-14:00](#)

Once you've looked at the document (and maybe gone to the consultation events) please do feedback your thoughts to the council via the online survey at the above consultation web page, or click direct [here](#). There's also an email address for further comments - and Spokes would be interested to be copied your email.

2. Leith Central Community Council elections - closing nominations date monday 1 Feb, 4pm

If you live in [the yellow area](#) you are eligible to stand for the Community Council. There are quite a few vacant places, so there's a good chance there won't even be an election, and you'll be returned unopposed!

For more info, and how to get nominated, click [here](#).
