ROSEBURN PARK WALK AND CYCLE LINK
(QuietRoute 8)

◆ EDINBURGH ◆
THE CITY OF EDINBURGH COUNCIL

Last November we carried a consultation to get your views on improving conditions for cycling and walking in Roseburn Park, which is part of QuietRoute 8.

Regrettably, a technical fault by the online survey provider meant that the survey responses were not recorded. We greatly apologise for this and kindly request for you to share your views again. We are very sorry for this inconvenience.

QuietRoute 8, is part of a network that is being implemented across Edinburgh. The aim is to provide routes that are easy, safe and convenient to use by people of any level of cycling experience. It will also improve conditions for people walking.

HAVE YOUR SAY

You can see drawings of the proposed route and leave comments online at: www.edinburgh.gov.uk/cyclewalk

Consultation runs 20 January to 26 February 2017

You can comment on the website or:

- e-mail us at EdinburghCycling.uki@aecom.com

ROSEBURN PARK WALK AND CYCLE LINK
(QuietRoute 8)

The map above shows the location of the proposed improvements in Roseburn Park

WHAT HAPPENS NEXT?

There will be further opportunities to respond to the designs as they are refined.

Final designs will be completed by May 2017.

Subject to Committee approval and funding availability, the intention is to begin construction in 2017/18.

Please return any feedback to the address below.

No stamp needed.
