

Email received by Spokes member from **Gavin Brown MSP** [Con]

Dear

Thank you for your recent email in relation to the transport budget. There is a great deal of budget scrutiny going on at the moment and I have raised the issue formally with our Finance Spokesman who will consider all of the budget options for negotiation over the coming weeks. This process is likely to conclude around about 24 February 2016.

Kind regards

GAVIN BROWN MSP
