

Spokes 40th Anniversary – Attendees at Council Reception, 14 Nov 2017

There were also many apologies, of which we list four particularly important ones here...

- John Grimshaw** Founder of Sustrans and supervisor of the Spokes 1km Pilton Path construction project
David Begg Mid-1980s Transport Convener, who pushed through many cycle (& bus) innovations, including Princes St cycle lanes (lost to the tram) then became a transport academic and government advisor
Gordon Mackenzie Transport Convener who introduced the policy of 10% of the transport budget for cycling
Cllr David Key Edinburgh City Council's current 'Cycling Champion.'

Corrections and omissions – please let us know of any mistakes in this table and we will get them updated.
