

Spokes 40th anniversary exhibition – venues and dates

Please contact Spokes if you can offer a venue used by significant numbers of members of the public. Generally we would expect the exhibition to be on display for 2 weeks.

The basic exhibition comprises 6 posters, size A1, of which we currently have two copies. If you have the facilities it can also include a slideshow, 3 short videos and/or other materials, all of which can be found on the [Spokes history](#) page on our website.

For latest details, or to offer help with providing a venue, email [mknottenbelt1 @ gmail.com](mailto:mknottenbelt1@gmail.com).
