

Roseburn Path Diversion, Coltbridge Closure

In the absence of a Council map, Spokes has produced this map to assist cyclists and walkers wanting a route around the closed section. Use it at your own risk.

Access to the path is from the road leading into St George's School. After crossing the bridge over the path, there are steps on the right leading down to the cycle path.

From the cycle path the steps are about ten metres back from the closure and are on the right when facing north (Granton direction).

Although the path is closed you can still cross here between Balbirnie Place and Russell Road to access the quiet route to / from Haymarket.

Key

Cycle path with closed section

Diversion route or

The yellow dashed line is the quieter route. The pink dashed line is more direct but busier or steeper and narrower in the case of Coltbridge Terrace.
