Subject: Covid-19 Cycling and Walking Emergency Response Measures - Boroughmuir High School, Bruntsfield and South Morningside Primary Schools

Dear Councillors and Stakeholders

Covid-19 Cycling and Walking Emergency Response Measures

Proposed Measures at Boroughmuir High School, Bruntsfield and South Morningside Primary Schools to aid safe travel to school

Please be advised that as part of overall emergency measures we are proposing to re-designate key parts of the road network to help pedestrians and cyclists travel safely while meeting physical distancing requirements.

I have attached the proposed designs for the scheme. In summary it shows:

Boroughmuir High School

- Revoke parking on NE side of Viewforth (approx. 6 spaces)
- Extend footway on NE side of Viewforth for 1.5m

Bruntsfield Primary School

- Close Montpelier to vehicles at the junction with Montpelier Park except for residents
- Close Bruntsfield Avenue at the junction with Bruntsfield Place whilst allowing for waste collections

South Morningside Primary School

- Close Canaan Lane to vehicles except for residents
- Cut back vegetation at Greenbank Drive/Greenbank Terrace

Given the urgency to make the required changes any comments relating to these proposals should be received by **1200hrs on Wednesday 12 August** to spacesforpeople@edinburgh.gov.uk.

All feedback will be reviewed and where possible the scheme will be further refined. Feedback will be summarised in an assessment feedback form which will be presented to the Council Incident Management Team for approval. Please note that we will be unable to respond to individual emails.

If the proposal is approved for implementation, publicity will then be undertaken so that local people are aware of the changes. A dedicated inbox will help us to manage any feedback around proposals – spacesforpeople@edinburgh.gov.uk

The introduction of, or changes to, any restrictions will be implemented under emergency delegated decision-making powers using a Temporary Traffic Regulation Order.

Regards

On behalf of the Spaces for People Team
