Subject: Covid-19 Cycling and Walking Emergency Response Measures at Cammo Road for Forrest Kindergarten

Dear Councillors and Stakeholders

Covid-19 Cycling and Walking Emergency Response Measures

Proposed Measures at Cammo Road to aid safe travel to school (Cammo Estate Forest Kindergarten)

Please be advised that as part of overall emergency measures we are proposing to re-designate key parts of the road network to help pedestrians and cyclists travel safely while meeting physical distancing requirements.

In summary our proposals are:

- New children warning sign to be installed on the approach to Cammo Estate.
- Closure of Cammo Road, except for residential access, from the back entrance into Cammo Estate/ entrance to River Almond walkway to its junction with Cammo Road/Cammo Eastate/Cammo Walk

Given the urgency to make the required changes any comments relating to these proposals should be received by 1700hrs on Thursday 6th August to spacesforpeople@edinburgh.gov.uk.

All feedback will be reviewed and where possible the scheme will be further refined. Feedback will be summarised in an assessment feedback form which will be presented to the Council Incident Management Team for approval. Please note that we will be unable to respond to individual emails.

If the proposal is approved for implementation, publicity will then be undertaken so that local people are aware of the changes. A dedicated inbox will help us to manage any feedback around proposals – spacesforpeople@edinburgh.gov.uk

The introduction of, or changes to, any restrictions will be implemented under emergency delegated decision-making powers using a Temporary Traffic Regulation Order.

Regards

The Spaces for People Team
