Subject: Covid 19 Emergency Response Measures - Proposed Temporary Cycle Segregation – Lanark and Longstone/Inglis Green Road

Dear Councillors and Stakeholders

Covid-19 Cycling and Walking Emergency Response Measures

Proposed Temporary Cycle Segregation – Lanark and Longstone/Inglis Green Road

Please be advised that as part of overall emergency measures we are proposing to implement segregated cycleways on Lanark Road and Longstone/ Inglis Green Road to help pedestrians and cyclists travel safely while meeting physical distancing requirements.

I have attached the proposed designs for the scheme. In summary it shows:

- Introduction of uni-directional segregated cycleways along Lanark Road and Longstone Road
- Improvements to junctions along the road to make them safer for cyclists
- Introduction of waiting and loading restrictions along parts of Lanark and Longstone Road
- Introduction of Floating Bus Stops along Lanark Road
- Introduction of new sections of Bus Lane on the approach to key junctions
- Removal of pedestrian guardrail

Any comments relating to these proposals should be received by **1700 hrs on 9 October** to spacesforpeople@edinburgh.gov.uk.

All feedback will be reviewed and where possible the scheme will be further refined. Feedback will be summarised in an assessment feedback form which will be presented to the Council Incident Management Team for approval. Please note that we will be unable to respond to individual emails.

If the proposal is approved for implementation, publicity will then be undertaken so that local people are aware of the changes. A dedicated inbox will help us to manage any feedback around proposals – spacesforpeople@edinburgh.gov.uk

The introduction of, or changes to, any restrictions will be implemented under emergency delegated decision-making powers using a Temporary Traffic Regulation Order.

Regards

On behalf of Spaces for People Team
