

Extend footway  
by 1 metre along  
front of  
community centre  
and school

The map shows a residential street, CRAIGMILLAR CASTLE AVENUE, running horizontally across the middle. To the north of the street are several residential buildings with addresses: 155, 157 to 161, 143, 131, 181 to 185, 187, 189, 191, and 28. To the south of the street is a large orange-colored building labeled 'Castleview Primary School'. To the east of the school is a smaller orange building labeled 'Sandy's (Hall)'. A 'Gas Governor' is also marked near Sandy's Hall. A blue line with a red inner border follows the front of the school and community centre, indicating a proposed footway extension. A yellow line follows the front of the school, indicating a guardrail removal. A green dashed line outlines a new waiting restriction area (TTR) starting from the school entrance and extending to the junction with another street on the right. Green areas represent grass or parks, and grey areas represent roads and paths.

Remove guardrail

Castleview Primary School

Introduce TTR  
for new waiting  
restrictions from  
school entrance  
to junction to  
improve visibility  
for pedestrians
