Subject: Covid-19 Cycling and Walking Emergency Response Measures at Craigour Park Primary School to aid safe travel to school

Dear Councillors and Stakeholders

## Covid-19 Cycling and Walking Emergency Response Measures

### **Proposed Measures at Craigour Park Primary School to aid safe travel to school**

Please be advised that as part of overall emergency measures we are proposing to re-designate key parts of the road network to help pedestrians and cyclists travel safely while meeting physical distancing requirements.

I have attached the proposed designs for the scheme. In summary it shows:

- Road to be closed to vehicles at 2 locations on Moredun Park Street as shown on accompanying map.
- Exemptions are for residents, pedestrians, cyclists, blue badge holders, emergency services, waste vehicles, school deliveries and access to car park only, for school staff.

Given the urgency to make the required changes any comments relating to these proposals should be received by **1200hrs on Wednesday 30th December 2020** to [spacesforpeople@edinburgh.gov.uk](mailto:spacesforpeople@edinburgh.gov.uk).

All feedback will be reviewed and where possible the scheme will be further refined. Feedback will be summarised in an assessment feedback form which will be presented to the Council Incident Management Team for approval. Please note that we will be unable to respond to individual emails.

If the proposal is approved for implementation, publicity will then be undertaken so that local people are aware of the changes. A dedicated inbox will help us to manage any feedback around proposals – [spacesforpeople@edinburgh.gov.uk](mailto:spacesforpeople@edinburgh.gov.uk)

The introduction of, or changes to, any restrictions will be implemented under emergency delegated decision-making powers using a Temporary Traffic Regulation Order.

Regards

On behalf of the Spaces for People Team
