Subject: Covid-19 Cycling and Walking Emergency Response Measures at Juniper Green Primary School

Dear Councillors and Stakeholders

## Proposed Measures at Juniper Green Primary School

Please be advised that as part of overall emergency measures we are proposing to re-designate key parts of the road network to help pedestrians and cyclists travel safely while meeting physical distancing requirements.

I have attached the proposed designs for the scheme. In summary it shows:

- Prohibit vehicles at the junction of Baberton Mains Drive and Baberton Mains Wynd, whilst maintaining access for pedestrians, cyclist, blue badge holder, waste collection and school staff.
- Approach golf club to request the use of their car park at the beginning and end of the school day as a 'park and stride' area.

Given the urgency to make the required changes any comments relating to these proposals should be received by 5pm on Thursday 10th September 2020 to [spacesforpeople@edinburgh.gov.uk](mailto:spacesforpeople@edinburgh.gov.uk).

All feedback will be reviewed and where possible the scheme will be further refined. Feedback will be summarised in an assessment feedback form which will be presented to the Council Incident Management Team for approval. Please note that we will be unable to respond to individual emails.

If the proposal is approved for implementation, publicity will then be undertaken so that local people are aware of the changes. A dedicated inbox will help us to manage any feedback around proposals – [spacesforpeople@edinburgh.gov.uk](mailto:spacesforpeople@edinburgh.gov.uk)

The introduction of, or changes to, any restrictions will be implemented under emergency delegated decision-making powers using a Temporary Traffic Regulation Order.

Regards

On behalf of the Spaces for People Team
