subject: **Nether Currie Primary: Spokes response**

Thanks for the consultation.

Spokes supports the proposal to introduce waiting and loading restrictions on the right-angle bend in Thomson Cres., “to keep the bend clear”. A local resident has suggested restrictions for both sides of this bend, and we support that, in the interests of the safety of the children. Children will often cross on a bend to shorten the distance, so good visibility is important.

In addition, most of the houses here have driveways, and there should be no need for additional parking in the street.

Yours etc,
Peter Hawkins
Spokes Planning Group
