Subject: Covid-19 Cycling and Walking Emergency Response Measures at Brunstane Primary School

Dear Councillors and Stakeholders

Proposed Measures at Brunstane Primary School

Please be advised that as part of overall emergency measures we are proposing to re-designate key parts of the road network to help pedestrians and cyclists travel safely while meeting physical distancing requirements.

I have attached the proposed designs for the scheme. In summary it shows:

- Road closure at Magdalene Drive at junction with Magdalene Gardens with barriers, maintaining access for residents and cyclists.
- Road closure at Magdalene Drive at junction with Magdalene Avenue, whilst maintaining access for residents, blue badge holders, waste collections and school deliveries.

Given the urgency to make the required changes any comments relating to these proposals should be received by 5pm on Thursday 10th *September* 2020 to spacesforpeople@edinburgh.gov.uk.
[Think this is typo; should say 5pm Th 10 Dec, going by other emails received same time - Dave]

All feedback will be reviewed and where possible the scheme will be further refined. Feedback will be summarised in an assessment feedback form which will be presented to the Council Incident Management Team for approval. Please note that we will be unable to respond to individual emails.

If the proposal is approved for implementation, publicity will then be undertaken so that local people are aware of the changes. A dedicated inbox will help us to manage any feedback around proposals – spacesforpeople@edinburgh.gov.uk

The introduction of, or changes to, any restrictions will be implemented under emergency delegated decision-making powers using a Temporary Traffic Regulation Order.

Regards

On behalf of the Spaces for People Team
