subject: Re: Covid 19 Emergency Measures -

Proposed parking and waiting restrictions - Starbank Road

Hello,

Spokes' comments on the Spaces for People proposals for Starbank Road are below.

Starbank Road forms part of a gap in Edinburgh's cycle network, with cyclists forced to use the road from the end of the Lower Granton Road cycleway.

At present, vehicles are often parked on Starbank Road in a way that endangers pedestrians and cyclists, by being parked on the pavement, through the risk of dooring or by forcing cyclists closer to oncoming traffic.

We believe the proposals will reduce these dangers, and therefore we support the proposals.

Thanks,

David French
