Covid 19 Emergency Measures - Proposed segregated cycle infrastructure – West Shore Road

Dear Councillors and Stakeholders

Thank you for your comments regarding the proposed emergency road measures. Comments have been reviewed and are included in the attached assessment feedback form. Following consideration by CIMT on 8 April the proposals were approved for implementation.

The measures have now been installed and officers are currently monitoring the temporary measures and will make adjustments as necessary to mitigate any impacts.

Further information about how the Council is implementing temporary road measures to support safe walking, wheeling and cycling is available at www.edinburgh.gov.uk/spacesforpeople.

Regards

Yours sincerely
