Dear Councillors and Stakeholders,

This is notification that the Spaces for People measures on Morningside Road will be removed between the 25 October and 29 October 2021. There is section of footway widening on the West side of Morningside Road between The Merlin and Cuddy Lane which is being retained due to the narrow footway. There is also an advisory cycle lane with no segregation units being installed from Newbattle Terrace to Abbotsford Park in a Northbound direction to benefit cyclists on the uphill section.

Regards

Andy Edwards
