Dear Sir / Madam

CORSTORPHINE NEIGHBOURHOOD - EDINBURGH

PROPOSED EXPERIMENTAL ORDER FOR LOW TRAFFIC NEIGHBOURHOOD

In accordance with the terms of the Local Authorities' Traffic Orders (Procedure) (Scotland) Regulations 1999, I write to inform you that the City of Edinburgh Council proposes to promote an experimental traffic order which will introduce various measures to reduce through motorised traffic in the Corstorphine area. We previously wrote to you in October 2021, but following stakeholder feedback, have now made additions to the proposed measures within the proposed order.

All documents concerning road-related Orders on the Council website www.edinburgh.gov.uk/trafficorders. Please visit our website where you can view and/or download the plan(s) relating to this proposal.

Formal objections are not invited at this stage, as a further period will be allowed for the submission of objections when the proposals are formally advertised. It is intended to advertise the proposals at an early date and I should welcome any comments you may have to offer within 3 weeks of the date of this letter by e-mail to TRO.Consultations@edinburgh.gov.uk .

Yours faithfully
