

Overview

The purpose of this survey is for you to provide us with feedback on the design proposals for local path improvements to the path connection from Moray Park Terrace to Lochend Butterfly Way, and changes to the Easter Road/ Albion Road Junction.

The map below shows the two areas our proposals are considering.

Design proposals: **Lochend and Albion Road Project Areas**

Please review the proposals before responding to the survey. A summary is provided here with more details available via the *Give us your views* link below.

Lochend Butterfly to Moray Park Terrace

- Addition of a raised table at the junction beside the pedestrian entrance to Sainsbury's.
- Dropped kerb and widening of entrance into the shared use path connecting to Lochend Butterfly Way.
- Widening of the shared use path to 4 metres, and the addition of a green strip either side of the path.

Albion Road, Easter Road Junction

- Footway on the south side of Albion Road widened.
- Placemaking improvements to the north side of Albion Road with the potential to add a parklet.
- Benches and planters incorporated on the south side of Albion Road.
