

STATEMENT OF REASONS

THE CITY OF EDINBURGH COUNCIL (VARIOUS STREETS, CORSTORPHINE) (EXPERIMENTAL TRAFFIC MANAGEMENT MEASURES) (NO 1) EXPERIMENTAL ORDER 2023 - ETRO/21/21

The introduction of the proposed measures is intended to promote quiet local neighbourhoods, encourage sustainable travel (walking and cycling), improve exercise local to home, and to deter motor vehicle through traffic in the areas of Corstorphine and Carrick Knowe, particularly around the Primary Schools. The scheme is being introduced by way of Experimental Traffic Order made under Section 9 of the Road Traffic Regulation Act 1984, so as to allow the Council to modify or vary the scheme at short notice once in force, should circumstances require.
