1. [Holyrood Park draft Strategic Plan](#) 19.12.2023 - need volunteer to draft response.
2. [Corstorphine Connections ETRO](#) Some confusion over closing date - [now 23 Nov](#). See emails with Chris Young from Traffic Low Corstorphine, who promised to send us their draft for possible amendments and possible endorsement. If we like it, we could endorse this rather than doing our own, given short timescale and as they know the area best.
  - a. DF to collate a response

## Planning

1. Lost Shore Surf, major out of town leisure development - see email thread starting 31 October. Anyone interested to take up their offer to discuss bike access and also how their website could encourage sustainable access to the site (currently just road & air!) They offered a site meeting and tour, but I guess it could be online.
  - a. DF to ask David Monaghan if he wants to.
  - b. RAF Turnhouse - 23/04182/PAN - Site At Former RAF Turnhouse *Proposed alterations to industrial storage park as previously consented (Ref: 09/00302/FUL and 08/01484/FUL) to provide for improved access, layout, and reduced units numbers, with associated landscaping works.*
