

ETYN & related projects - Issues and concerns - Spokes - February 2024 - DRAFT					
No	Description of issue/concern	Location (individual locations have previously been identified and photographs supplied)	Priority	Date raised by	Responsibility ETYN/ATT/PP/LC/CEC/None
1	Very poor surface, unfinished works and no landscaping	West end of Melrose Drive ("Graffiti Wall" ) traffic-free section		Feb 24	
2	White lining directing cyclists onto carriageway - for no obvious reason	Shared path beside link road between Lindsay Road and Melrose Drive		May 23	
3	No "shared use " signage or markings	Melrose Drive - Newhaven tram stop to Ocean Terminal	High	Mar 22	
4	No Quiet Route signage	Hawthornevale to Ocean Terminal		Mar 22	
5	No cycle safety signs along tramway	Ocean Terminal to Constitution Street/A900	Urgent	May 23	
6	Nothbound cycleway not "terminated" safely - cones removed. Unclear how cyclists should proceed. No signage	Foot of the Walk	Urgent		
7	Some bus shelters too close to cycleway - eg Jane St northbound	Leith Walk	Urgent	Feb-24	
8	Some poles, generally warnings to pedestrians about tram tracks, and other street furniture too close to cycleway	Leith Walk	High	May 23	
9	Incorrect directions on cyclist call button boxes	Leith Walk		May 23	
10	Very uneven surface - 2 sections were raised as project defects	Leith Walk		Mar 22	
11	Generally uneven surfacing/corrugations/poor drainage/puddling	Leith Walk		Mar 22	
12	Generally insufficient delineation between cycleway and footway - colour and kerbing/edging - 25mm kerb unseating cyclists and trip hazard	Leith Walk		Mar 22	
13	A few places where min 25mm kerbing required but surface layed too high	Leith Walk			
14	Signals delaying cyclists unduly	Manderston St - southbound	High		
15	Hazardous area for walking and cycling due to extreme lack of spacet for bus layby, bus shelter and supermarket entrance	Leith Walk - south of Jane Street	Urgent	Feb 24	
16	Signals delaying cyclists unduly	Balfour Street - northbound	High		
17	Surface marked arrow on cycleway in wrong direction	Leith Walk/ Anandale St westbound	High	Sep 23	
18	No cycle access/egress to Montgomery Street	Elm Row		Sep 23	
19	Collapsed inpection/vent cover - temp yellow cover in place	Gayfield Square northbound	Urgent	May 23	
20	Cyclists held too far back and no subsequent signage or signals (eg at kerb edge)	London Road crossing southbound		Sep 23	
21	Surface markings from now-removed cycle crossing need to be removed	Edinburgh Playhouse	High	Sep 23	
22	Lack of cycling facilities - surface markings were being investigated	Picardy Place to Gayfield Square		March-22	
23	No cycle directions / route	Picardy Place to Broughton Street (Northbound)	High	May-23	
24	Dangerous cycle markings/surfacing putting cyclists in conflict with vehicles	Picardy Place carriageway ahead to Broughton St	Urgent		
25	No cycle directions	Broughton Street to York Place (westbound)	High		
26	Lampost obstructing cycleway	Picardy Place	Urgent	Aug 23	Picardy Place
28	No cycle route signage eg for QR12	Whole route - Various locations		Feb-24	
29	Significant lack of requisite cycle parking	Whole route	High	Nov 20	
	Resurfacing of streets adjacent to Tramway - eg Montgomery Street			May 23	
	Cycle access "banned" (Laurie Street to Queen Charlotte Street/ Bernard St ???)	Constitution Street North		Jul 23	
	New ramped access to Lindsay Road toucan	Hawthornvale		Mar 22	
	Drains etc interrupting buffer zone	Leith Walk		Mar 22	
	Some bollards not effectively protecting cycleway from parking	Elm Row		Sep 23	
	Cycleway and Footway unfinished	Inchkeith House, Leith Walk		May 23	
	Insecure cycle racks installed	Leith Walk (and elsewhere)			
	Brunswick Street plan? Cycle access currently awkward	Leith Walk - Brunswick Street			
	Remove temporary white foot/cycle separation line	Leith Walk		May 23
