4. [How we've engaged with the community so far](#)

About the project

We have proposals to revitalise the main streets in Craigmillar and Niddrie.

To help you easily get to local shops, schools and other community facilities, along

- Peffermill Road
- Niddrie Mains Road
- Newcraighall Road

We're proposing

- safer crossings at busy locations
- faster and more reliable bus times with new bus lanes
- safe cycle routes along the main roads
- nicer public spaces with trees and plants

This busy corridor is a key bus route for the local community but also people travelling through the area. New bus lanes will help to improve bus journey times.

The project builds on key Council strategies

- [20 Minute Neighbourhood Strategy](#)
- [Future Streets Strategy](#)
- [City Mobility Plan](#)

Related Council projects in Craigmillar and Niddrie are:

- [New Primary School at Hunter's Hall Park](#)
- [Craigmillar and Peffermill Court](#)
- [Craigmillar new homes](#)
- Where possible, we will also work together with the ['Pride in Place'](#) board
